

DormSync: Boarding House and Dormitory Tenant Management System

Problem

Maraming boarding house at dormitory ang umaasa pa rin sa **manual na paraan** sa pag-manage ng tenants, rooms, rent, utilities, at payments. Nahihirapan ding malaman ng mga naghahanap ng matutuluyan kung **may available na room**, lalo na kapag hindi agad nakakasagot ang owner sa messages o walang owner/caretaker kapag nag-walk-in sila. Maaari ring magkaroon ng problema sa **pag-track ng due dates, unpaid bills, utility charges, at payment records** dahil magkakahiwalay o manual ang mga records.

Solution

Sa halip na magkakahiwalay ang Facebook inquiries, notebook records, payment records, at room information, puwedeng gawin ang lahat sa isang system.

Through DormSync:

Potential tenants can:

View available rooms → Check details → Apply → Schedule room viewing.

Tenants can:

View bills → Receive reminders → Submit payment proof → Check payment history → Submit concerns.

Owners can:

Manage rooms → Manage applicants → Schedule viewing → Manage tenants → Track utilities → Create bills → Verify payments → Send reminders → Generate reports.

Mayroong **3 types of users/access**:

Public / Applicant

Hindi pa registered tenant at **hindi kailangan ng tenant account** para makita ang available rooms.

Tenant / Client

Official tenant na at may sariling account.

Owner / Admin

May full control sa DormSync at nagma-manage ng boarding house/dormitory.

Owner Process

Login → Room Management → Add Room

Ilalagay niya:

- Room Number/Name
- Room Photos
- Description
- Monthly Rent
- Maximum Capacity
- Current Occupants
- Available Slots
- Utility information
- Rules/basic requirements

OWNER SIDE NA TO

Applications → Pending Applications

Makikita niya:

Applicant: Juan Dela Cruz
 Requested Room: Room 102
 Preferred Move-in: September 10
 Status: **Pending**

May options:

Accept for Viewing | Reject

Hindi pa ibig sabihin na official tenant kapag accepted.

Kapag **Accepted for Viewing**, para makita nila sa personal yung room at makakapili ang applicant ng schedule.

Ang owner ang magse-set ng available dates/times.

Halimbawa:

Date Available Time

September 5 9 AM – 12 PM

September 6 1 PM – 5 PM

September 7 10 AM – 3 PM

At mag email sa applicant na accepted sila for room viewing and mag bigay ng link pa'ra deretso sa available na date na naka list na gawa ng owner..

Applicant:

Select Date → Select Time → Confirm Appointment

Dahil scheduled, nababawasan ang pagkakataon na pumunta ang applicant pero walang tao sa boarding

house.

PAG OKAY AT TUTULOY ANG APPLICANT NASA AGREEMENT NA

Tenant Agreement

Submit

MOVE OUT.

Owner → Tenant Profile → Process Move-Out

System records:

- Move-out Date
- Remaining Balance
- Room
- Account Status

Kapag completed:

Tenant = Inactive/Archived

At automatic mababakante ang slot:

Room 102: 2/2 FULL → 1/2 → 1 AVAILABLE SLOT

Maaari na ulit lumabas sa public available rooms.

Innovation

Ang DormSync ay hindi lang para sa pag-record ng tenants at payments. It also helps the owner manage room availability, room viewing schedules, monthly bills, at payment reminders. Dahil dito, mas organized ang management at nababawasan ang manual work at possible errors.

- Hindi pwedeng lumampas sa maximum room capacity.
- Hindi pwedeng pumili ng full viewing schedule.
- Hindi pwedeng mag-assign sa room na under maintenance.
- Required ang complete information bago makapag-submit.
- Kailangan munang ma-verify ang payment bago maging Paid ang status.

Buong Process

Applicant Side:

View Available Rooms → Choose Room → Apply → Owner Review → Accepted for Viewing → Receive Email → Choose Viewing Schedule → Room Viewing → Agreement

Owner/Admin Side:

Add/Manage Rooms → Set Room Capacity & Availability → Review Applications → Accept for Viewing → Manage Viewing Schedule → Confirm Agreement → Assign Room → Create Tenant Account → Manage Monthly Bills → Verify Payments → Monitor Overdue Payments → Generate Reports

Tenant Side:

Login → View Assigned Room → View Monthly Bill → Receive Payment Reminder → Pay/Upload Proof → Owner Verification → Updated Payment Status → View Payment History
